**Sanitary Sewer System Improvements**

The City of Eastpointe will hold a public meeting on the proposed Clean Water State Revolving Fund (CWSRF) Sanitary Sewer System Improvements Program for the purpose of receiving comments from interested persons.

The meeting has been scheduled for Tuesday, April 25, 2023, at 7:00pm, during the regularly scheduled City Council meeting in the City Council chambers, located at Eastpointe City Hall, 23200 Gratiot Avenue, Eastpointe, Michigan 48021.

The purpose of the proposed project is to rehabilitate certain locations within the sanitary sewer system that were identified to be in poor structural condition based upon a recent sewer cleaning and television investigation program. Structural defects identified include cracked or broken pipe, offset pipe joints and interior surface deterioration. Rehabilitation will include sectional removal and replacement of defective sewers and installation of cured-in-place pipe liners. The estimated cost to users for the proposed project is expected to be no greater than \$17.2 million dollars utilizing a low-interest loan over a 20-year period.

Copies of the plan detailing the proposed project will be available for inspection at the City Manager's Office, in the Eastpointe City Hall, 23200 Gratiot Avenue, Eastpointe, Michigan 48021. The plan will be available beginning on Monday, April 10, 2023.

Written comments received before the public meeting concludes on Tuesday April 25, 2023, will receive a written response in the final project plan. Written comments should be sent to the city's consulting engineer preparing the final project plan. Direct written comments to Anderson, Eckstein and Westrick, ATTN: R.
